Five men entered the jungle
in search of a savage tribe . . .
and never returned.

In January 1956, a tragic story flooded headlines around the world. Five men, spurred by a passion to share the good news of Jesus Christ, ventured deep into the jungles of Ecuador. Their goal: to make contact with an isolated tribe whose previous response to the outside world had been to attack all strangers.

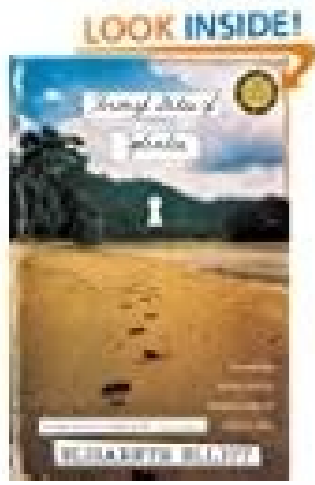

At an agreed-upon time, their five young wives sat by their radios, waiting for a message that never came. . . .

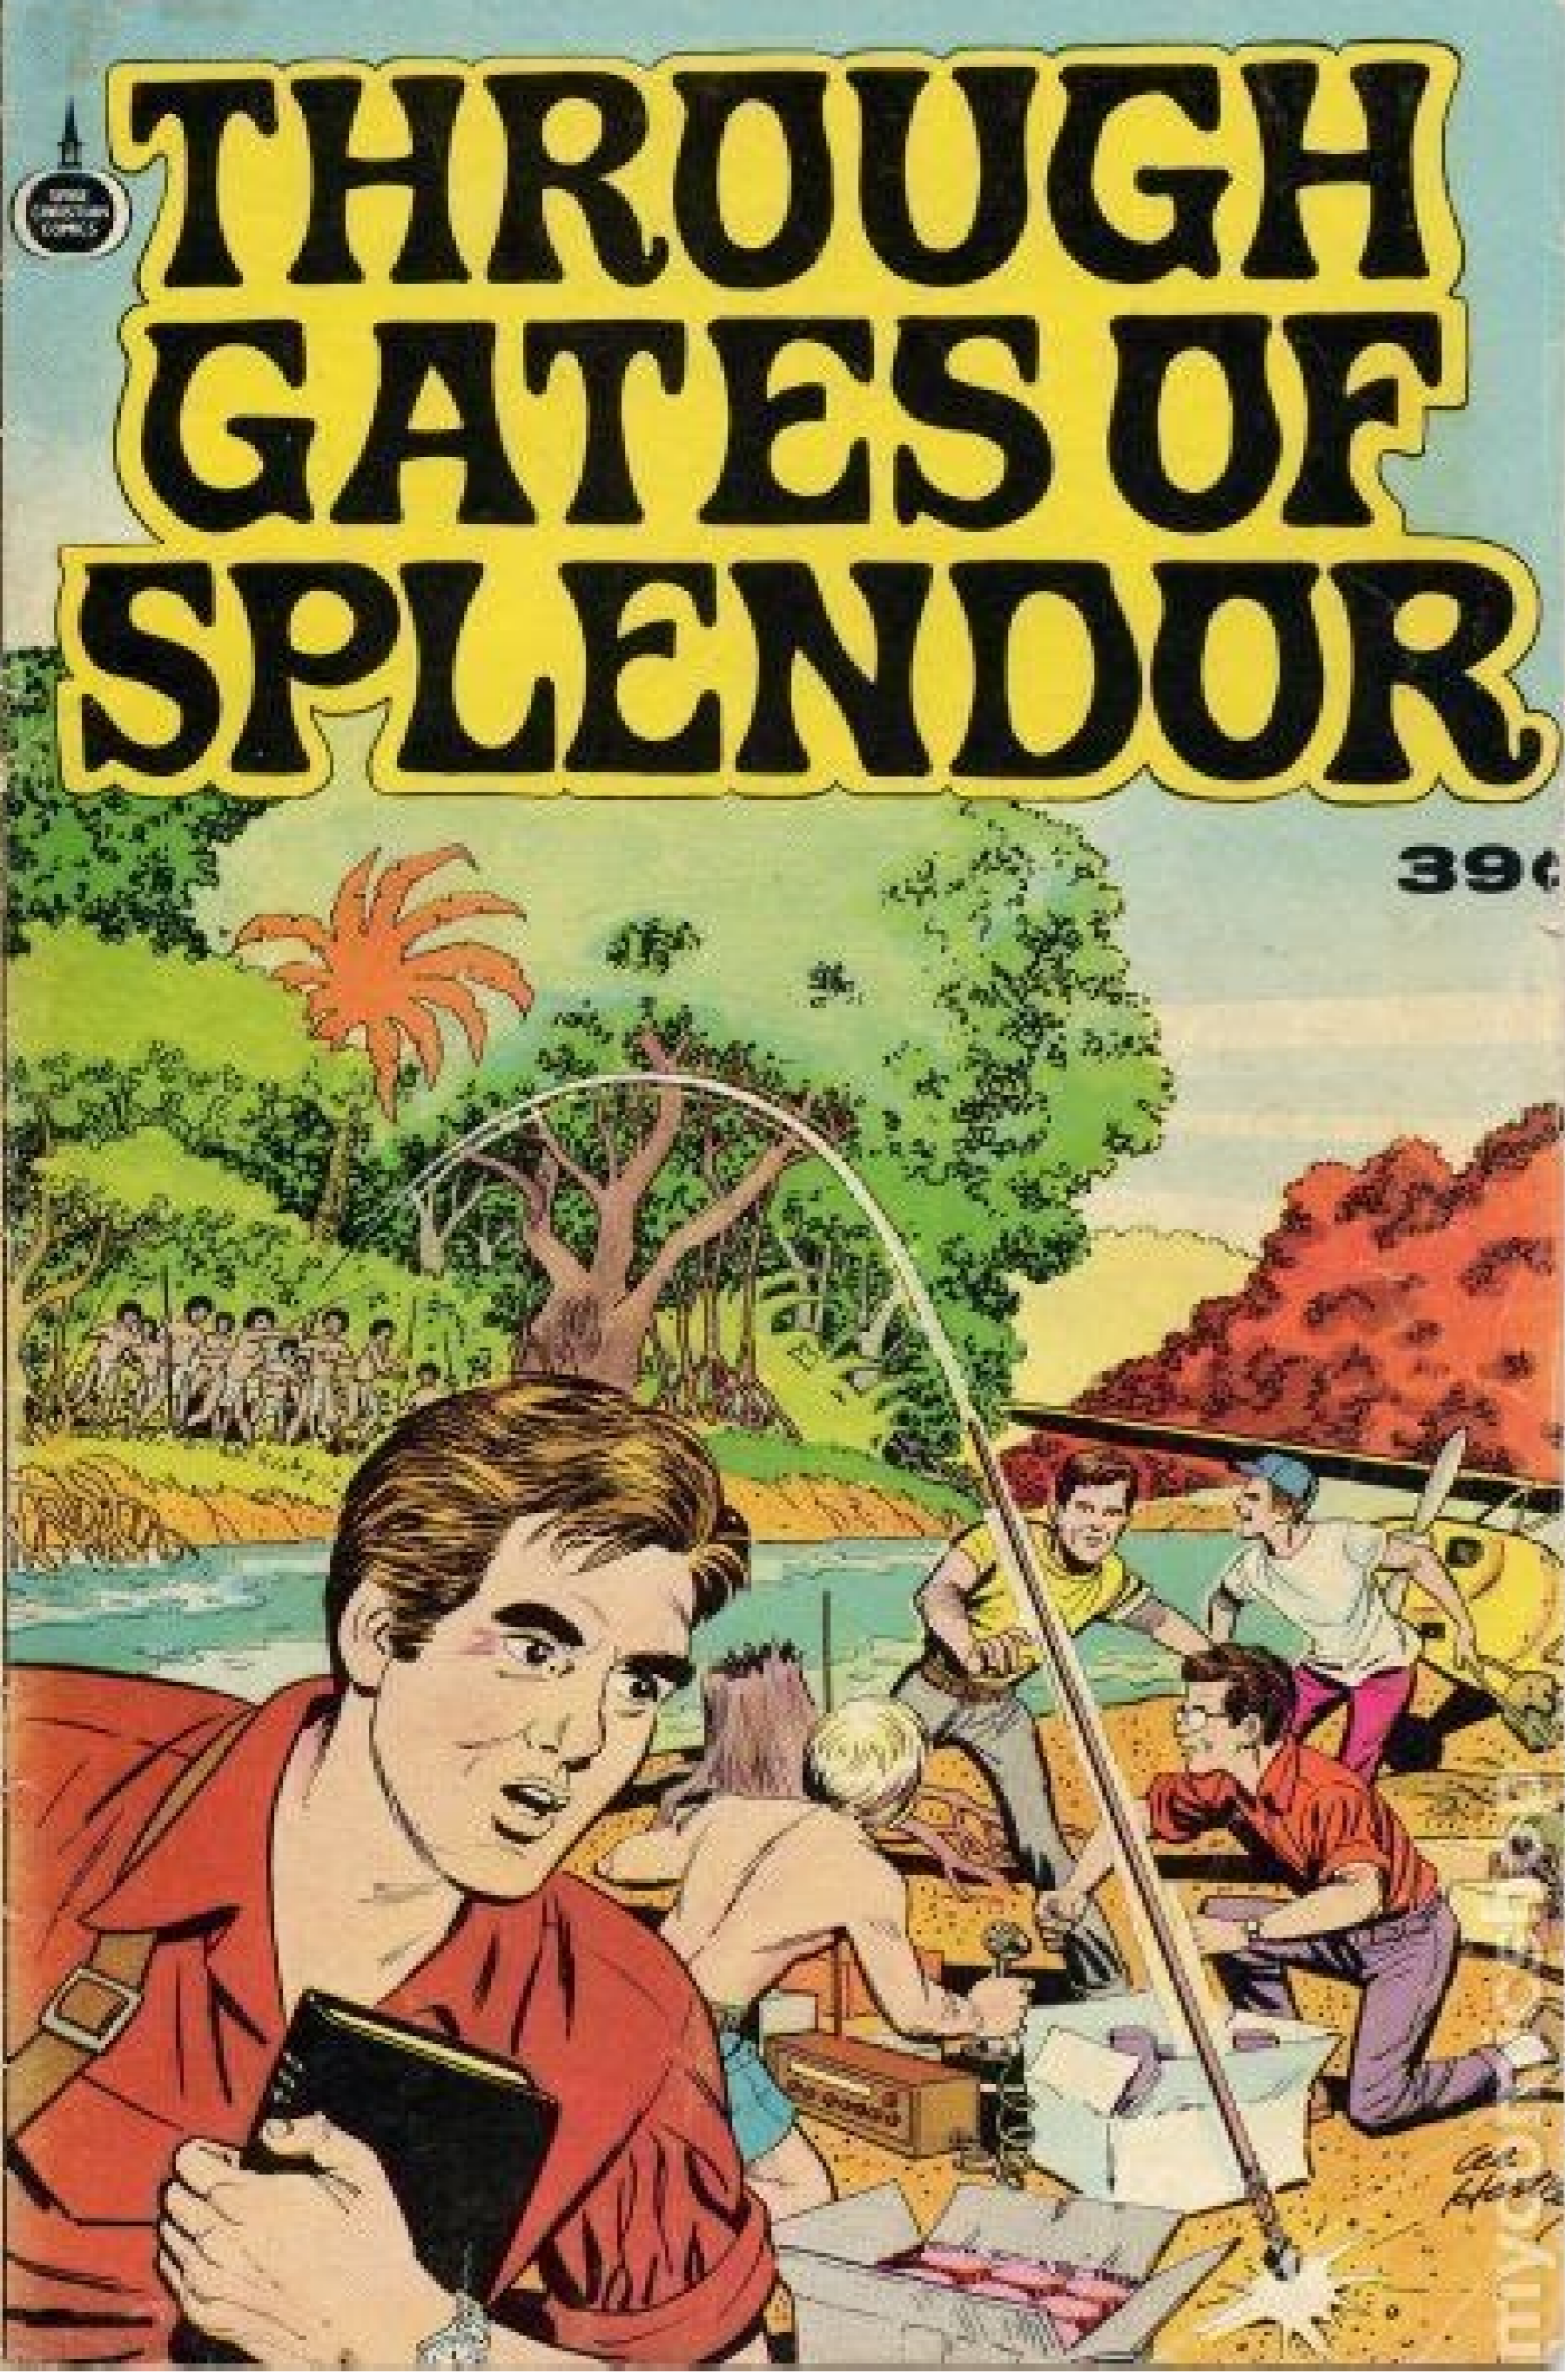

Through Gates of Splendor, the story of Nate Saint, Roger Youderian, Ed McCully, Pete Fleming, and Jim Elliot, was first recorded in 1956 by Jim's widow, Elisabeth. Decades later, its story of unconditional love and complete obedience to God still inspires new readers. This edition contains subsequent developments in the lives of the families and the Waodani tribe.

Through Gates of Splendor, Elisabeth Elliot's first book, became the best-selling and most powerful missionary story of the twentieth century. Elliot has gone on to become a popular speaker and the author of several books and a host of magazine articles.

Read about the continuing story of the Waodani and the missionaries' families: This edition includes two preview chapters from *End of the Spear*, the new book by Steve Saint (Nate Saint's son), about his return to the jungle and the people who took his father's life. This story is now a major motion picture.

This is probably one of the most famous missionary stories in the world.Five men, sold out for God, entered the dangerous territory of the Auca tribe in Ecuador in the 1950's to try and reach them with the Gospel. Day follows day in unbroken succession; there are no crises, no mass conversions, sometimes not even one or two to whom he can point and say, 'There is a transformed life. He is stripped of all that may be called 'romance.' Life has fallen more or less into a pattern. He is baffled to find, frequently, that they are not. God is God. But to throw away his life among ignorant savages. Baby gates come in a variety of shapes and sizes, can block stairways and doorways and may be pressure-mounted or hardware-mounted, and never returned. There is no such thing as attainment in this life; as soon as one arrives at a long coveted position he only jacks up his desire another notch or so and looks for higher achievement—a process which is ultimately suspended by the intervention of death. Mass conversions and daily encouragements would in our day be referred to as 'fake news!' The missionary life is hard....One of the things that makes this book is the reaction of the wives to the news that their husbands have all been killed. Their goal: to make contact with an isolated tribe whose previous response to the outside world had been to attack all strangers. Events that took place afterwards reveal aspects of God's bigger plan, but that's contained in other books, so I won't spoil it for you! Eternity alone will tell how many souls were saved as a result of the sacrifice of these men either through hearing about the story or through people responding to the missionary call. Assurd.Jim thought to her parents: "It seems impossible that I am so close to my elderly year, and sincerely, it does not have a glow in this respect I prefer to expect. A safe and robust baby gate can help protect your child . After all, there is a completely new world to explore. If I had never come, he would never have known Christ. "The forces of evil, unconscious for so much time, are now set in arrays against the missionary. Every missionary potential should read these paragraphs. What struck me more strongly was the full commitment of each of these men to give up Eve this is probably one of the most famous missionary stories in the world. Men in conflicts, sold out for God, entered into the dangerous territory of the aura tribe in Ecuador in the 1950s to try to reach them with the Gospel. They stopped from the decision of their men when questions have been asked about why they had entered the territory of Aura first; The men had sincerely believed that it was God's will. God.
